Race Course

500m Qualifying Heat – All 3 teams will race and start from upstream of NS1 to Nautica Pavilion. Lane 1 is the boat closest to the eastside, lane 2 is the middle lane, and lane 3 is closest to the west bank. Top 2 boats will advance to finals and turn around immediately following the race and head back up to NS1 for the Final Race.

Losing boat will head back to the Rivergate Docks accompanied by a launch at Nautica Turn. In case of bad weather this may change to a time trial. The first place team from the sprint will get the inside lane (west bank) for the final

Qualifying Race Course - Top 2 boats to final race course

1750m Final Race – Top 2 boats will race from upstream of **NS1** to the **End of Columbus Rd Bridge (Brown Bridge)**.

Finish

Rules

- 'A' boats are designated as the top 4 rowers.
- 'B' boats should be mostly novices/and or bottom 4
- Mixed 8 race must be 4 men and 4 women in any order.
- Each team will receive one point for a final heat victory, Qualifying Races do not count for points.
- All other US Rowing racing rules apply.
- In the event of a tie, the Mixed 8 will race a 500 meter sprint to determine the winner.

Logistics

Both flights will leave the dock at 15 minutes prior to the first flight time.

Upon finishing the Sprints and Finals, boats should wait down bound of Columbus Road until next race is finished, unless the finish launch deems it possible to return to the dock.

JCU = 1 Starter, 1 Time Recorder, and 1 Nautica launch operator. Nautica launch will determine heat winners. Notimes taken for heats. Take heat finish line video.

CWRU = 1 Dockmaster and 1 timer.

CSU = 1 finish line launch and 1 timer. Take final finish line video.
