

The Homeschool's Regatta 2010: JCU v CSU v CWRU

Each race will begin with a 500 meter sprint from Collision Bend to the docks. All 3 teams will race in this sprint, and at the conclusion, first and second place will immediately turn around and go race in a final duel for the normal 1500 Homeschool's race course. In the event of inclement weather or unforeseeable circumstances, this may be reduced to a time trial. The first place team from the sprint will get the inside lane for the final.
