JCU	W	4+	0:48:02	1:13:45	0:25:43	11

Thanks to St. Edward High School rowing for going downstream 🙏

Racecourse was traveling down bound the Cuyahoga, adjusting the starting line to just upstream of the Turning Basin, and concluding at the British Street Railroad Bridge. Using "middle of the lane" adjustments, it was approximately 4.57 km. Some crews may have accumulated more, some less, depending on course. Thanks to all the participating crews and coaches.
